NEW! Mechanical Repair Coverage

Car troubles are challenging enough without the added worry of expensive repairs. Worry no more. LVECU now offers MEMBER'S CHOICE® Mechanical Repair Coverage (MRC), a service that protects against the costs of covered repairs for new and used vehicles. This service kicks in after your initial manufacturer's warranty expires.

As your vehicle gets older, the cost of repairs gets more expensive. Unlike most of the extended warranties you buy from dealerships, MCR provides flexibility.

- Use the licensed repair facility of your choice
- No mileage limitations - drive as much as you would like
- 24/7/365 emergency roadside assistance
- Rental car and emergency travel expense reimbursement
- Customize your deductible

MRC can be purchased for any vehicle you own, even if you didn't finance it at LVECU. [Learn more on our website.](#)
